I Buy Houses Just Like This One

Whether you're the owner of this property or the code enforcement officer, you're probably interested in on how this property can be quickly improved, brought up to code, and no longer a hazard to this community.

My name is **(Enter Your Name)** and I want to **BUY** this house and renovate it. My business is to take "projects" just like this one and **TRANSFORM** it within a few weeks from a hazardous eyesore into one of the best looking houses in the neighborhood.

If you're interested in getting this property sold fast for cash, then give me a call. I am very interested in buying and renovating this property as soon as possible. I would love to speak with you about how we can work out a deal that is mutually beneficial for the both of us.
